Civil Action 1:24-cv-13066

**COMPLAINT**

Plaintiff David Alcaraz Jimenez, by and through counsel, for his Complaint against the United States of America, hereby states and alleges as follows:

**PARTIES**

1. Plaintiff, DAVID ALCARAZ JIMENEZ, is an individual residing at 221 Oakwood Avenue, Revere, Massachusetts
2. Defendant, UNITED STATES OF AMERICA, may be served pursuant to the Federal Rules of Civil Procedure by serving a copy of the summons and complaint on The Honorable Joshua S. Levy, Acting United States Attorney, 1 Courthouse Way, Suite 9200, Boston, Massachusetts 02210 and by sending a copy of the summons and complaint by certified mail to The Honorable Merrick Garland, U.S. Attorney General, U.S. Department of Justice, 950 Pennsylvania Avenue NW, Washington, D.C 20530. The United States Postal Service is a government agency of the United States of America.

### **JURISDICTION AND VENUE**

3. Jurisdiction is pursuant to 28 U.S.C. §1346(b) and the Federal Tort Claims Act, 28 U.S.C. §2671, et seq. Venue is proper in this court because the Plaintiff resides within the boundaries of the District of Massachusetts and because the acts and omissions at issue occurred within the District of Massachusetts.

### **EXHAUSTION OF ADMINISTRATIVE REMEDIES**

4. Plaintiff presented his claim, via certified mail, in a Presentment and Demand Letter for Settlement Purposes, to the United States Postal Service, Attn: MA/RI District Tort Claims Coordinator, on or about July 26, 2023 who, in turn, sent an acknowledgment letter dated August 26, 2023. The Presentment Letter was complete and contained the required information pursuant to the Federal Tort Claims Act, along with a demand of \$1,000,000.00.

5. On January 8, 2024, the United States Postal Service, (herein “USPS”) Tort Claims Examiner/Adjudicator (herein “TCE/A”) sent correspondence indicating the claim was presented on July 31, 2023 and requested additional documentation. On January 19, 2024 and January 23, 2024, the documentation requested was provided.

6. Email correspondence from the TCE/A on January 23, 2024 indicated the TCE/A had not had an opportunity to review the Plaintiff’s claim yet and expected to complete the review in March or April. Multiple follow up voicemails were left for the TCE/A and a follow-up email was sent to the TCE/A on April 10, 2024 suggesting multiple days and times to discuss this case. The TCE/A responded via email that the TCE/A still had not had an opportunity to review the Plaintiff’s claim and anticipated it would be reviewed that month. Having not heard from the TCE/A in April, a voicemail was left for the TCE/A on May 7, 2024 and a follow-

up email was sent on May 10, 2024 which requested that the TCE/A contact the undersigned counsel regarding resolving this matter. The TCE/A sent a response email requesting color photographs and documentation from the Plaintiff's employer for the TCE/A to review. The color photographs were emailed on May 10, 2024 and the Plaintiff's employer's documentation was emailed on May 11, 2024. Several additional voicemails were left for the TCE/A and the last email to the TCE/A was sent on Monday June 10, 2024 outlining the history of communications and requesting the TCE/A speak with undersigned counsel any day that week between 8 AM and 4 PM. No response, via email or phone, was received from the TCE/A.

7. On June 24, 2024, correspondence from the TCE/A for the USPS was delivered via certified mail. It stated, "As to the incident at issue, an investigation of this matter failed to establish a negligent act and or omission on the part of the U.S. Postal Service or its employees. While we regret any injury that may have occurred, we cannot accept legal liability for these alleged damages. Accordingly, this claim is denied."

8. Since the claim has been denied, the TCE/A for the USPS wrote that suit may be filed pursuant to 28 U.S.C. § 2401 and 39 C.F.R. § 912.9 in a United States District Court no later than six (6) months after the date of the mailing of the denial, which was June 17, 2024 and the United States of America is the only proper defendant.

#### **FACTS**

9. On September 10, 2021 David Alcaraz Jimenez was working as an equipment operator for G.V.W., Inc., at 99 Bishop Allen Drive, Cambridge, MA. The Cambridge Redevelopment Authority was running the 99 Bishop Allen Drive Renovation Project.

10. Temporary fencing was placed along the worksite boundaries at 99 Bishop Allen Drive. There was an approximately 6 ½ foot high temporary fence placed along the worksite property between 20 Essex Street and 99 Bishop Allen Drive. When the front gate to the 99 Bishop Allen Drive worksite was opened in the morning, the front driveway gate panel (approximately 6 feet high by 10 feet long) was always placed against the fencing along the worksite property boundary of 99 Bishop Allen Drive which abuts 20-22 Essex Street. This placement of the fence leaning against the boundary fence had been occurring every work day for months before the incident.

11. There are two gates on the front yard fence of 20-22 Essex Street for access to and from the Essex Street sidewalk. The USPS employee delivered to 20 Essex Street, a Priority Mail 2-Day package addressed to Sabrina Larkin of 20 Essex Street, Cambridge, MA at approximately 10:30 AM on September 10, 2021. The USPS employee was in the course and scope of his employment with the USPS at the time of the accident. The USPS is a government agency of the United States of America.

12. Instead of leaving through a front gate of the front yard fence of 20-22 Essex Street, the heavysset USPS employee negligently pushed the 6 ½ foot high temporary fence, with the other piece of fencing leaning against it, so he could create a large space to walk through between the front yard fence at 20-22 Essex Street and the temporary fence located on the worksite property located at 99 Bishop Allen Drive.

13. Unfortunately, in doing so, the United States Postal Service employee caused a fence piece (about 6 ½ by 10 feet) that was leaning against the temporary fence he pushed to fall over and strike David Alcaraz Jimenez in the leg. This negligent act caused a substantial gouging, peeling, degloving laceration to his right leg.

14. Witnesses observed and heard the incident and its aftermath. The heavysset postal employee was observed pushing the temporary fence and causing the other fence segment to fall and strike David Alcaraz Jimenez. Other workers rushed to the Plaintiff's assistance, but the postal employee did not even come over to offer assistance. The postal employee was asked, "Why did you push the fence?" and the postal employee made a hand gesture and left the scene.

15. The postal employee did not report the incident to his supervisors at the United States Postal Service, Cambridge, MA and no reports, incident reports, statements, documents or photographs have been produced by United States Postal Service, though requested.

16. The facts of the accident are straightforward and not in dispute. David Alcaraz Jimenez

was simply walking on the jobsite at the time of the incident and did nothing wrong. Unfortunately, the negligence of the United States Postal Service employee caused the fence to fall over and severely injure the Plaintiff.

17. Following the accident, David Alcaraz Jimenez was transported to Mass General Hospital. As a result of his injuries, David Alcaraz Jimenez suffered serious permanent injuries. He has lost time from work and has incurred further significant damages.

**FEDERAL TORTS CLAIM ACT  
NEGLIGENCE**

18. Plaintiff incorporates by reference the allegations contained in paragraphs 1 - 17.

19. As alleged above in detail, the United States Postal Service employee was acting within the course and scope of his employment with the United States Postal Service, a government agency of the United States of America, at the time of the negligent act.

20. The United States of America is subject to suit for personal injury caused by the negligent and wrongful acts and omissions of employees of the Government while acting within the scope of their office or employment, under the circumstance where the Defendant, if a private person, would be liable to the plaintiff, pursuant to the FTCA.

21. The United States of America, through the actions of the USPS employee, was negligent or grossly negligent in pushing the temporary fence causing a piece of fence that was leaning on it to fall and strike David Alcaraz Jimenez causing injury.

22. The United States of America is responsible for the damages suffered by the Plaintiff, pursuant to the Federal Tort Claims Act. As a result of the above alleged acts,

Plaintiff David Alcaraz Jimenez has suffered both past and future damages in the form of: reasonable and necessary medical expenses, loss of wages and benefits, wage-earning capacity, physical pain and suffering, mental anguish and emotional pain and suffering, physical impairment, disfigurement, loss of enjoyment of life, and other nonpecuniary losses.

**DEMAND FOR RELIEF**

WHEREFORE, Plaintiff demands that upon final hearing thereof, that the Plaintiff have and recover judgment against the United States of America in a sum in excess of One Million Dollars (\$1,000,000.00), or for the full amount of damages allowed by law, post judgment interest, costs of court and all other relief, both general and special, at law and in equity, to which Plaintiffs may justly be entitled.

Respectfully submitted,

The Plaintiff,  
David Alcaraz Jimenez
